

## [Directions to GLT Headquarters and Shipyard](#)

[When using GPS, use the following address 1245 West 45<sup>th</sup> Street]

### From the East

Take I-90 West all the way to Cleveland. As you are approaching downtown Cleveland from the East, I-90 splits off to the left and goes South of the city. Stay in the right hand lanes on Route 2 West (called the "Shoreway"). The Shoreway cuts through Cleveland's waterfront and downtown office buildings...you will practically hit Browns Stadium. Once through downtown, take the first right hand exit, for West 49<sup>th</sup> Street, and make the hard right-hand "hair pin" turn into the West 45<sup>th</sup> Street entrance way for the Garrett A. Morgan Water Plant. Go through the security gate and down to the foot of the hill.

### From the West:

Take I-90 East, toward downtown. Exit at Ontario Street near Jacob's Field, and go North to Huron. Turn left on Huron, and go past Tower City to Superior Avenue. Turn left onto Superior and go over the Veterans Memorial ("Detroit-Superior") Bridge and get into the right lane. Turn right onto West 25<sup>th</sup> Street, and then take the immediate left onto Route 2 "Shoreway." Get off at the first exit for West 49<sup>th</sup> Street, and make the hard right-hand "hair pin" turn into the West 45<sup>th</sup> Street entrance way for the Garrett A. Morgan Water Plant. Go through the security gate and down to the foot of the hill.

### From the West Suburbs:

Take the Route 2 West (called the "Shoreway") toward the City, and get off at the exit for West 45<sup>th</sup> Street. Take the exit around to Detroit Road and turn right on Detroit Road. Go to the next intersection and turn right on West 49<sup>th</sup> Street. Take West 49<sup>th</sup> Street to the end and turn right at the stop sign onto the overpass leading back over the Shoreway. Go straight to the stop sign, and turn left into the West 45<sup>th</sup> Street entrance way for the Garrett A. Morgan Water Plant. Go through the security gate and down to the foot of the hill.

### From the Airport (South):

Take I-71 North toward Downtown. Exit to the left at Dennison Ave, and turn left at the light. Go about 3 blocks to West 65<sup>th</sup> Street and turn right at the light. Continue north on West 65<sup>th</sup> until you get to Detroit Road. Turn right on Detroit Road and go East to West 49<sup>th</sup> Street. Turn left on West 49<sup>th</sup> and go to the second stop sign. Turn right, follow the road over the expressway, and stay in the left lane. Turn left at the stop sign onto West 45<sup>th</sup> Street and enter through the Water Department security gate.

### At the Security Gate:

Advise the security guard (City Police officer) who you are and that you are going to The Great Lakes Towing Company. The facility is located at 4500 Division Avenue, at the foot of West 45<sup>th</sup> Street.
